Method

-Zest the lemon with the Microplane® Zester. Juice half of the lemon with the Juicer to measure 2 tbsp (30 mL). Add the lemon zest, juice, and remaining gremolata ingredients to the Manual Food Processor and process until the mixture resembles a paste, scraping down the sides as needed.

-Use the Quick Prep Food Grater fitted with the slicing blade to slice the onion and squash. Use the fine grating blade to grate the Parmesan. Place the tomatoes into the Close & Cut and use the Coated Chef's Knife to cut them in half. Cut the asparagus into thirds.

-Heat the oil in the Stainless Steel Nonstick Wok over medium-high heat for 3–5 minutes. Add the onion, salt, and pepper, and cook for 3–4 minutes. Add the tomatoes and cook for 1–2 minutes, or until the veggies are softened, stirring occasionally.

-Break the pasta into thirds. Place the pasta and water into the wok and gently mix with the Large Chef's Tongs. Place the asparagus and squash on top of the pasta. Cover with the lid and reduce the heat to medium-low. Cook for 7–8 minutes, or until the pasta is al dente and veggies are cooked.

-Add the gremolata and stir to coat. Serve with the grated Parmesan.

- ¼ tsp (1 mL) salt
- ⅛ tsp (0.5 mL) black pepper

Ingredients

- 1 bulk carrot, peeled and cut into thirds
- 1 sweet potato, ends trimmed and cut in half
- ½ red onion
- ¼ tsp (1 mL) salt
- 12 vegan slider buns
- 12 dill pickle slices (optional)
- ⅓ cup (75 mL) yellow mustard
- ⅓ cup (75 mL) apple cider vinegar
- 1–2 garlic clove, prAessed
- ¼ cup (50 mL) tomato paste
- 2½ tbsp (37 mL) light brown sugar
- ½ tsp (2 mL) reduced-sodium soy sauce
- ¼ tsp (1 mL) paprika
- ¼ tsp (1 mL) black pepper
- ⅛ tsp (0.5 mL) cayenne pepper

Methods

- Spiralize the carrot and the sweet potato with the fettuccine blade on the Veggie Spiralizer. Then spiralize the red onion with the ribbon blade.
- Snip all the vegetables into shorter pieces with the Professional Shears.
- Place the vegetables in the Deep Covered Baker. Sprinkle with salt and mix well to combine with the Large Chef's Tongs.
- Microwave, covered, on HIGH, 12–14 minutes, or until the vegetables are very tender.
- Meanwhile, prepare the barbecue sauce by whisking all the sauce ingredients together in a medium bowl.
- Remove the baker from the microwave. Pour the sauce over the vegetables and mix well with the tongs.
- Microwave, covered, for 1½–2 minutes, or until the sauce starts to thicken and the mixture is warmed through.
- Place the vegetable mixture on buns and top with dill pickle slices.

Yield:

Nutrients per serving:

U.S. Nutrients per serving (2 sliders): Calories 280, Total Fat 4.5 g, Saturated Fat 0 g, Cholesterol 0 mg, Sodium 580 mg, Carbohydrate 53 g, Fiber 4 g, Sugars 15 g, Protein 10 g

Cook's Tips:

Large bulk carrots, also called juicing carrots, work the best in the Veggie Spiralizer. If you can't find a carrot that's large enough, you can grate two smaller ones with the Veggie Strip Maker.

A South Carolina barbecue sauce has a mustard base, and gets a dose of tanginess from vinegar. You can also make this recipe with about 1 cup (250 mL) of your favorite barbecue sauce.

Method

Ingredients

1 can (15 oz./398 mL) black beans,
drained and rinsed
6–8 scoops Enrichables™ Super Veggie
1 egg
1 cup (250 mL) corn
½ cup (125 mL) brown rice, cooked
⅓ cup (75 mL) plain breadcrumbs
1 tbsp (15 mL) Tex-Mex Rub (or
any other rub or seasoning)
1 tbsp (15 mL) oil
4 buns

Optional: Avocado slices, tomato
slices, lettuce, or hot sauce

Process the beans, Enrichables™, and egg in the Manual Food Processor until the beans are mashed and all the ingredients are combined.

Transfer the bean mixture to a medium bowl. Add corn, rice, breadcrumbs, and rub. Mix well.

Heat the oil in a large skillet or grill pan over medium heat for 1–3 minutes.

Form about ⅓ cup (75 mL) of the mixture into a patty. Repeat for the rest of the mixture.

Cook the patties for 4–6 minutes per side, or until well-browned.

Serve the patties in the buns. If you'd like, serve with avocado, tomato, lettuce, or hot sauce.

Yield:

6 servings

Cook's Tips:

You can use any rub you'd like. Our Tex-Mex Rub pairs well with the beans and the corn! To help the patties keep their shape, chill the mixture for 15–20 minutes before forming.

Place the almonds in the Rockcrok® Dutch Oven and use the Kitchen Spritzer to spray them with oil. Microwave, uncovered, on HIGH for 5 minutes. Set aside.

Cut the onion into chunks. Place them into the Manual Food Processor and process until coarsely chopped.

Heat the oil in the Dutch oven over medium heat for 3–5 minutes, or until it's shimmering. Add the onion and garlic pressed with the Garlic Press. Cook for 3–5 minutes, or until the onions are softened, stirring occasionally.

Working in batches, place the red peppers into the Manual Food Processor and process until coarsely chopped.

Add the peppers, tomato sauce, spinach, salt, paprika, black pepper, and water to the Dutch oven. Increase the heat to medium-high and bring to a simmer.

Add the couscous. Cook, covered, for 8–10 minutes, or until the couscous is tender. Remove from the heat, stir in the almond milk, and top with the toasted almonds.

Ingredients

Canola oil for spritzing
¼ cup (50 mL) sliced almonds
1 medium onion
½ tbsp (7 mL) canola oil
3 garlic cloves
1 jar (24 oz or 660 g) roasted red peppers, drained
1 can (15 oz or 398 mL) tomato sauce
6 oz (175 g) fresh spinach leaves
½ tsp (2 mL) salt
½ tsp (2 mL) smoked paprika
¼ tsp (1 mL) black pepper
2 cups (500 mL) water
½ cup (125 mL) Israeli couscous
1 cup (250 mL) unsweetened almond milk

Cook's Tips:

Romesco is a Spanish sauce that's traditionally made from ground peppers, garlic, and almonds. Think of it as Spain's answer to Italian pesto.

Take it slow: To make this recipe in the Rockcrok® Slow Cooker Stand, complete step 1 as directed. Then add all the ingredients except the couscous and almond milk to the Dutch oven. Cook, covered, on HIGH for 3 hours or LOW for 6 hours, stirring occasionally. Before serving, transfer the Dutch oven to the stove and bring to a simmer over medium-high heat. Complete step 6.

Ingredients

- 1 pkg (14 oz. or 350 g) extra-firm tofu
- 3 tbsp (45 mL) cornstarch
- ¼ tsp (1 mL) salt
- 3 tbsp (45 mL) canola oil, divided
- 1 zucchini
- 1 red bell pepper
- 8 oz. (250 g) fresh snow peas
- 2 green onions
- ½ cup (125 mL) water chestnuts
- 2 cups (500 mL) cooked brown rice
- ¼ cup (50 mL) whole roasted cashews, chopped (optional)
- 1 1" (2.5 cm) piece fresh gingerroot, peeled
- 1 orange
- 3 tbsp (45 mL) reduced-sodium, gluten-free soy sauce
- 3 tbsp (45 mL) agave nectar or honey
- ¼ cup (50 mL) red wine vinegar
- 2 garlic cloves, pressed
- ¼ tsp (1 mL) red pepper flakes

Method

-Cut the tofu into 1" (2.5 cm) squares. Line a Flexible Cutting Mat with paper towels. Place the tofu on the mat and top with another paper towel. Place something heavy, like a sheet pan on top to drain excess moisture.

-For the sauce, use the Microplane® Adjustable Fine Grater to grate the ginger to measure 2 tsp (10 mL). Grate the orange to measure 1 tbsp (15 mL) of orange zest. Juice the orange with the Juicer. Add the ginger, orange zest, juice, and remaining sauce ingredients to a Small Batter Bowl and whisk until combined; set aside.

-Uncover the tofu and place it in a shallow bowl. Sprinkle with cornstarch and salt; toss to coat.

-Heat 1 tbsp (15 mL) of oil in the 12" (30-cm) Stainless Steel Nonstick Skillet over medium-high heat for 3–5 minutes. Add all the tofu and sear for 2–3 minutes. Flip and sear for an additional 2–3 minutes, or until it's browned on two sides. Remove the tofu from the skillet.

-Trim the ends off the zucchini and cut the zucchini in half lengthwise. Cut the top off of the bell pepper, and remove the seeds and veins with the Scoop Loop®. Cut the pepper into quarters. Slice the zucchini, bell pepper, and snow peas with the Quick Slice.

-Thinly slice the green onions; set aside the greens for the garnish.

-Heat the remaining oil in the pan. Add the whites of the green onions, zucchini, bell pepper, and snow peas; saute for 4–6 minutes, or until crisp-tender. Add the water chestnuts, tofu, and sauce and stir to coat. Cook for 2–3 minutes, or until the sauce is slightly thickened.

Serve the stir-fry over cooked rice. Top with the reserved green onions and cashews.

Ingredients

1 cup raw sunflower seeds
1/2 cup flax seeds
1/2 cup hazelnuts or almonds
1 1/2 cups rolled oats
2 Tablespoons chia seeds
4 Tablespoons psyllium seed
husks or 3
Tablespoons of ground psyllium
seeds
1 can black olives
1/4 cup pitted dates

Method

-Combine all dry ingredients, stirring well

-Blend olives, water and all, and dates

-Add blended mixture to dry ingredients and mix very well until everything is completely soaked and dough becomes very thick (if dough becomes too thick to store, add one or two tablespoons of water until dough is manageable).

Place in loaf pan and smooth out the top with the back of a spoon. Let sit out on the counter for at least two hours, or all day or overnight to ensure dough is ready. To check this, dough should retain its shape even when you pull the sides of the pan away from it, assuming you are using a flexible silicone loaf pan.

-Preheat oven to 350°. Place loaf pan in the middle rack and bake for 20 min. Remove bread from loaf pan, place upside down directly on the rack and bake for another 30-40 min. Bread is done when it sounds hollow when tapped. Let cool completely before slicing (difficult but important). Store in a tightly sealed SEEDED BREAD container for up to 5 days. Freezes well – slice before freezing for quick and easy toast.

Ingredients

1 cup raw, blanched almonds
4 dates
Dash of salt

-Blend until very smooth with enough water to cover nuts and dates

-Once the blended mixture is a smooth cream, add enough water to make 1/2 gallon or two quarts. If you are going to consume the milk right away, blend some ice cubes in as part of the water to cool down the cream.

-May add 1 vanilla bean to blending cream for a special flavor.

-This milk separates when it sits for a while because it has lots of fiber. Just give it a whirl and it will be back to normal once again.

-Keeps refrigerated for about 7-10 days.
